

# The Commons

Tony Manning

16 to 27 November 2022

## Art Space on The Concourse

*The Commons* is a group of paintings that explore the shared spaces where people come together, which is especially poignant given recent lockdowns and isolation. *The Commons* is about the public spaces, parks, nature, skateparks, where real human connection can occur, not mediated by computer screens.

1.

***Fire Island***, 2021
